

WINGS OVER WISCONSIN NEWS

FALL 2009

ISSUE 90

ATTENTION ALL WINGS MEMBERS
ENTER THIS FREE RAFFLE FOR A CHANCE TO WIN

Wings Over Wisconsin wants to help the environment and keep more money in the community. Mailing out the newsletter is a big expense with printing and postage costs on the rise. We would like to send as many newsletters via email as possible to save the organization money. The money that we raise should be kept within the community, not spent on postage.

Please email your name, home address and email address to us at: office@wingsoverwisconsin.org and automatically be entered in this free drawing. Even if you already receive the newsletter by email, you can still enter. The drawing will be held on November 15th so get your entry in. Please, one entry per member. Email addresses will be used for Wings Over Wisconsin information only and will not be sold!

1st Annual Mayville Youth Deer Hunt

The Mayville chapter hosted their first annual Youth Deer Hunt on October 10th & 11th. Local youth were invited to submit applications along with an essay to be considered for the hunt. In total, 6 young hunters participated with one hunter harvesting his first deer.

The hunters were set up on two of the properties (90 and 160 acres) owned by the chapter in the Mayville area. As a requirement of the hunt, they were each mentored by a member of the Mayville Chapter. They are already looking forward to next year's hunt.

Northeast Youth Hunt

The Northeast chapter, in conjunction with the Denmark & Green Bay chapters, held their third annual Youth Hunt on their property on Mill Road. The three hunters were chosen from the local hunter safety courses and local kids that submitted essays. Congratulations to two of the boys as this was the first year that deer were harvested during the Youth Hunt. Lunch was graciously donated for the weekend by the Drift Inn.

Pictured to the right are Devon Conard (top) and Brandon Rea (bottom).

Fishing Day held by Denmark Chapter

The Wings Over Wisconsin Denmark Chapter held their first annual Youth Fishing Day on May 20th. The group hosted 135 6th grade children from Denmark Elementary to a day of fishing at 2 of stocked fish ponds near the town of Poland. The purpose of the day was not only to take them fishing but also to educate them on the many responsibilities of using our natural resources.

Darren Kuhn, a conservation Warden for Kewaunee County, gave a seminar on fishing rules and regulations and he covered the many different species of fish and their bag limits. Board members Chad Cornette & Aaron Piontek did a demonstration on Fly fishing and explained the difference between male and female rainbow trout. Chad Koerten & Jason Votava, also board members, had many different noises coming from their seminar as they taught the children how to properly clean a fish. They also covered knife safety and the difference between scaling and skinning a fish. Chris Hamerla, a Deputy Warden in the Water Guard division of the DNR, covered boat safety. He discussed life preservers and how to use them as well as throwable cushions which are required for boats more than 16' in length.

Finally, the children were ready to fish! Wings Over Wisconsin gave each child a rod/reel combo to keep as well as a tackle box with everything they would need to get them started in the sport of fishing. They also provided all of the bait for the event and assisted the kids in learning to fish. Rick Schwartz of Custom Fence was so generous to provide us with two beautiful ponds which he stuffed with Rainbow trout, Perch, Bluegill and Crappie. It was a beautiful day of fishing and we hope the kids had as much fun as we did.

We mentioned a few board members that were involved in the seminars but there were so many more behind the scenes without whom this would not have been possible. There were also volunteers that weren't even board members that simply donated their time. We thank you all. We also have to thank our many sponsors because without their help none of this would have been possible. Custom Fence, Dick's Lawn Service, Van Lanen Mfg., Melotte Dist., Rent A Tent, Gander Mountain, Riverside Foods, Vanden Plas Sanitation, CZ's Bushville Lanes, Denmark FFA, Frito Lay, Coca Cola, Pepsi Co., and Quaker Bakery.

The Denmark board members were unanimous that this is the best thing project they have ever done. Our Wings Chapter, like many of the other Chapters in our area, have donated to many causes and all of them deserving but this was special because we got to see our hard work rewarded in the smile of a child's face. You cannot put a price tag on that. We look very forward to hosting the second annual event next year.

2009 Chapter Projects and Donations

Our chapters hold their annual banquets to raise money for projects within their communities. Each chapter's Board of Directors determine how, when and where the funds are allocated to best serve their chapter and communities. Here are some examples of projects or donations that our chapters have done in 2009. We hope the chapters can continue their good work within their communities. If you would like more information about specific projects, please feel free to contact the chapters with your questions or ideas. Contact names and phone numbers are located on the last page of this newsletter.
